For Specialty Benefit Amendment

How Your Specialty Benefit Amendment Works

Should you need the services of a dental care Specialist, you may do so without a referral from your Plan dentist.

If you use a Specialist who is a part of our provider network for a procedure listed below on the Specialty Benefit Amendment (SBA), you will simply pay the Member Copayment amount at the time of service. However, if the procedure is not listed on the SBA, you will receive a 25% discount, including orthodontic services, (15% from Endodontists, includes root canal therapy) off of the Specialist's normal retail charges. Benefits under the Specialty Benefit Amendment are available only if you use a Specialist who is a part of our provider network.

No Annual Maximum!

There is no annual maximum for procedures performed by a Plan Specialist.
